

**3-4 May 2017 at Olympia, London**

**The UK's leading national security event**

Security & Counter Terror Expo is the UK's leading national security event. It is a world-class showcase of the capabilities, strategies and intelligence to keep nations, infrastructure, business and people safe.

It brings together 10,000+ senior professionals from Government, Private Sector, Critical National Infrastructure, Military, Law Enforcement, Transport Security, Border Security, Security Services, Major Events and Emergency Services.

Security & Counter Terror Expo is a focused exhibition that delivers the ideal platform for those from the public and private sectors tasked with sourcing and delivering a robust defence against terrorism.
